EDUCATION

2024 - Ongoing
Hajigonj Model Govt. College
- Honours in Mathematics

2021 - 2023
Ashek Ali Khan high School & College
- Higher Secondary Certificate

LANGUAGES

- Bangla (Native)
- English (Proficient)

OBJECTIVE

Front-End Developer with 1+ years of hands-on experience building 12+ responsive and interactive web projects, including 4 approved ThemeForest templates. Skilled in HTML, CSS/Sass, JavaScript, jQuery, Vue js 3, and Bootstrap. Experienced in using GSAP, ScrollTrigger, and Figma-to-Code conversion. Currently interning at Softcrafty and learning React and WordPress to expand capabilities. Passionate about pixel-perfect UI, performance optimization, and delivering real client solutions.

WORK EXPERIENCE

Front-End Developer (Full-Time)
Softcrafty — June 2025 – Present
- Promoted to a full-time developer after a successful internship, gaining 7 months of professional experience in developing business-ready, responsive websites.
- Developed client projects and created approved themes on ThemeForest, demonstrating a strong understanding of quality standards and client-centric development.
- Proficiently used HTML, CSS, JavaScript, jQuery, and Bootstrap to build robust and scalable front-end solutions.
- Collaborated with the UI/UX and back-end teams to ensure seamless cross-browser compatibility and deliver optimized, pixel-perfect user interfaces.
- Managed projects within an Agile/SCRUM framework, ensuring timely delivery and effective communication across teams.

Front-End Developer (Intern)
Softcrafty — Feb 2025 – May 2025
- Worked closely with senior developers to convert design mockups from Figma/Adobe XD into responsive web pages.
- Gained practical experience in integrating jQuery plugins, GSAP, and ScrollTrigger for interactive and dynamic web experiences.
- Participated in code reviews to ensure clean, scalable, and maintainable code, adhering to industry best practices.
- Contributed to a collaborative environment by using Git/GitHub for version control and project handovers.
